HOPE
THROUGH HEALING HANDS

The Mother & Child Project: Helping Families in the Developing World

Keynote Speaker, Former U.S. Senate Majority Leader Bill Frist, MD
Host, Senior Pastor Mike Glenn

This faith-based conference will host dynamic speakers talking about the critical global health issues of maternal & child health, with a special emphasis on the benefits of healthy timing and spacing of pregnancies as a life-saving mechanism in the developing world. Local and national speakers will come together to talk about their special work as service providers in countries around the world, caring for mothers and children worldwide. We will lead a robust Q&A session with all the speakers encouraging further discussion. And, the conference will close with practical, simple steps for how YOU can save lives and help families thrive in the developing world.
